To

Muzrey ~~Revenue and General Departments.~~

SIR,

The Sub division officer of French Rocks submitted with his yadi No. 228, dated 31st July, 1896, an estimate for rupees 305, for repairing the temple of Paschima Bagalu Anjaneya, at Kusba Nagamangala. It was said to have been in a dangerously dilapidated condition needing early repair. The Sub division officer stated at the same time that the devotees of the temple had offered themselves to execute half the needful repairs, to the value of rupees 153, and that the sanction of Government might be applied for, the balance rupees 152 being met from the State grant, or from the general Surplus fund, as the temple had no fund of its own, enjoying only inam. The Sub division officer was in reply informed that the sanction of Government could not be applied for unless a moiety the estimated cost were received

P.T.O.

from the devotees and credited in the treasury. The Sub division officer now states that orders were however issued by him for the repairs being carried out as the temple was in very urgent need of the same, that he since personally inspected the temple and found the repairs to have been ——— Satisfactorily Completed by the devotees themselves at a Cost of Rupees 403 as per Measurement list attached to the accompanying Vernacular Correspondence and that therefore the Sanction of Government may be applied for, for the disbursement of half the outlay viz: 201.8.0, from the State grant or General Surplus fund.

I beg to submit for the orders of Government, the entire vernacular Correspondence on the Subject ending with Sub divisional officer's yadi No 1054 dated 15th instant.

I have the honor to be

Letter No. 1784 dated 29th May 1897 from the Dy Commr Mysore Distt: regarding the repairs of Paschimabagalu Anjaneya Swamis temple at Nagamangala.

No. 218-9-2/En. V.P. file

Order thereon.

The Dy Commr reports that the devotees of the temple, acting under the Sanction ~~order~~ of the Sub Dy. Asst Commr of French Rocks, have repaired the temple at a cost of Rs 403, one half of which has been contributed by themselves and recommends that the remaining half of the cost may be paid

out of the State Grant,
the institution itself having
no savings from which
the charge may be ~~defrayed~~ met.

2. But from the
Vernacular enclosures
to the Dy Commrs letter,
the Govt observe that
the devotees had no
specific sanction to
repair the temple to the
extent now executed
nor was any definite
promise given to them
in respect of the Departmental
aid towards the cost of
the repairs. When in
July 1896, the Amildar at the instance of the devotees,
reported to the Govt

Division Officer that the temple was in a dangerous condition ~~and that the devotees had promised to contribute one half of the cost~~ and submitted an estimate for Rs 305- with a recommendation that ~~the other~~ one half might be granted from Musafir funds, the ~~Asst~~ Sub Div. Officer merely issued an order stating that it was the duty of the devotees to keep the temple in good repair and that pending sanction to the estimate they might ~~have~~ themselves execute the repairs absolutely necessary to keep

the other half being Contributed by the devotees themselves,

the temple out of danger.
This ~~did~~ order of the Sub
Dn. Officer did not convey
any final sanction to the devotees executing
~~the execution of repairs work~~ all the repairs
~~put the temple in a~~ needed to the temple
~~thorough state of repair and at a cost~~
~~and at a cost which~~ which was and
in excess of the original Estimate, for Rs 305-
~~estimate submitted by~~ prepared
~~the Architect~~. The
devotees have evidently
overstepped the instructions
given to them & consequently
can have no claim whatever
in regard to the contribution
from Muzrai funds.
3/ However in special
consideration of the
recommendation made
by the Dy Commr, the Govt
are pleased to sanction

a grant of Rs 100 towards the repairs of the temple in question, the balance of the cost being ~~met~~ defrayed by the devotees themselves

4. The Comptroller to Govt will be requested to place at the disposal of the Dy Commr, Mysore District the sum of Rs 100 Sanctioned above ~~sanctioned~~. from the State Grant of Rs 15000 sanctioned in Govt Ro: No. 944 Mural 10592 dated 10th March 1897 for the repairs of the Muzrai buildings in the Province during the year 1897-8.
